Mr. Mucci supplied background information stating as a Burton Twp. Trustee he worked with the other Trustees, the Trust for Public Land and Natural History Museum to secure the first Clean Ohio Grant to set up Burton Headwaters Park. With assistance from groups such as Geauga Park District, Geauga Soil and Water and spear-headed by Trust for Public Lands, the Township secured a grant and purchased property that was proposed for 100 acre high-density housing development adjacent to the Twp. Park and memorial cemetery, resulting in a beneficial outcome for the selling land owner and the Burton Township Park. Mr. Mucci added that he appreciated the Trust for Public Land's tag line "Land for People" in that we need to preserve our natural resources, and part of that preservation is helping to engage the public in appreciating and utilizing it. He stated that he has no agenda, and his goal is to help continue the great work done by others before him.

Mr. Augustine asked the Board's opinion on land acquisition and conservation easements, citing his personal experience regarding property offered to the Park District. Mr. Mucci stated that land acquisition is one of the items he will be looking into, and that conservation easements are a tool for acquiring land. Mrs. Shumway added that Geauga County has 260,000 acres of Property with GPD holding just under 9,000 acres, Punderson holding 750 acres and many municipal parks. She believes that some of the people who want different recreational experiences could be re-directed to a municipal park with the facilities they are looking for. Mrs. Shumway stated that the Board wants to maintain the phenomenal job the Park staff has done running the Parks, and requested time for the Board to acclimate themselves with the Park District operations. The Board thanked Mr. Augustine for his helpful comments.

Iola Skinner of Newbury Township stated she likes the idea of 7:00 p.m. meetings for public input, but requested that the Board stay consistent with whatever dates and times are decided upon for Board meetings.
