The board entered Executive Session at 8:31 a.m. The Board came out of Executive Session at 9:19 a.m.

Mr. Lah proposed a motion to execute a waiver of conflict with Thrasher, Dinsmore & Dolan with regard to the purchase of property. Mrs. Dottore seconded the motion and after roll-call voice vote, the motion was approved 3 - 0:

| Mr. Bates | Yes |
|--------------|-----|
| Mrs. Dottore | Yes |
| Mr. Lah | Yes |

Mr. Lah moved to open for discussion the purchase of property, Mr. Bates seconded the motion. Mr. Oros brought to the floor to discuss the possible purchase of property of 180 acres, currently the Wicked Woods Golf Course property in Burton and Newbury Townships. Mrs. Dottore asked questions about savings in regards to the maintenance facility and equipment. Mr. McCue responded that there would likely be savings in future construction and maintenance costs, and travel costs due to being more centrally located. Mr. Lah asked if any buildings would be demolished at the other locations. Mr. McCue stated the park would need to look at long term

planning needs. He said the equipment would be used for the maintenance of the property initially. Mr. Lah asked to see the number of hours used for the equipment list with Wicked Woods and how this purchase benefits the park district and overall mission from a biological standpoint. Mr. Pira shared that this purchase would benefit the water quality of the Cuyahoga River in this area along with anything that can be done to remove chemical use, such as for golf course maintenance, which impacts the water quality. He said there are cold water springs along with cold water habitat and forest habitat. Mr. Pira said restoration will be a long endeavor to restore to a natural area from a golf course. Mrs. Dottore asked Mr. Pira if we see any grant opportunities, and he responded yes, it is possible. Mr. Oros mentioned the park will most likely be accessible to the public within the next year with the accessible cart path for hiking. Mr. Lah asked about the banquet facilities and if there is a plan. Mr. Oros responded that he proposes developing a request for a proposal to lease to a restaurateur for a possible farm to table type of restaurant. Mrs. Dottore stated she loves this park, and she hopes it goes through. Mr. Oros informed the board the property was a high scoring park based on the Mr. Pira's biological survey.

Mr. Lah made a motion to proceed with the purchase of the property known as Wicked Woods along with the facilities, tangible personal property and associated permits and liquor licenses from West Claridon Wicked, LLC and Wicked Woods Banquet, LLC and Ohio from the West Claridon. Mr. Bates seconded the motion, after roll-call voice vote, the motion was approved 3-0.

| Mr. Bates | Yes |

PRESENTATION OF VOUCHERS

Mr. Oros presented the October 2018 vouchers to the board. Mrs. Dottore inquired about the length of training, Mr. Oros responded that several Operations employees attended supervisor's management school for 5 days. Mr.

Lah asked about the park's safety training program. Mr. Oros replied that the park utilizes accredited resources from Public Entities Risk Pool and the Public Entities Pool of Ohio to provide safety training. Mr. Lah stated that he would like to see the park pay for and get 10 hour or 30 hour certification training for 1 or 2 employees for OSHA training. He said he knows there are exemptions, but it makes sense to have some type of training. Mr. Oros responded that he would look into the equivalent training through PERP. Mrs. Dottore inquired about annual cyber security training, and Don Lombardy, IT Manager replied that they try to attend each year.

Mr. Bates made a motion to approve the vouchers for October 2018.

Mrs. Dottore seconded the motion and after roll-call voice vote, the motion was approved 2-1 abstained:

OLD BUSINESS LEVY BUDGET PROJECTIONS

Mr. Oros distributed updated levy projections to the board showing a .9 mil levy renewal with a reduction. Mrs. Dottore stated she sees reductions have been made, and that through 2025 the park would still be in the black. She asked where the largest reductions were made to make this work. Mr. Oros noted there is a rapid decrease through 2025. He said potential grant revenue was removed, some bigger capital improvement projects were removed, and the special events budgets were lowered by looking more closely at return on investment. Mr. Oros also added a reduction was realized this year on healthcare for the park district, along with savings through attrition, emphasis on seasonal employees and hiring entry level positions. Mrs. Dottore inquired about the capital project decrease of \$700,000, Mr. McCue said this was for the improvements for the West Woods project. Mrs. Dottore shared she is very pleased with the current projections and reducing substantially in several areas. Mr. Oros mentioned that staff is developing a case for support for the levy renewal.

Mrs. Dottore made a motion to approve entering into a .9 renewal reduction levy for 2019. Mr. Lah seconded the motion and after roll-call voice vote, the motion was approved 3-0:

2019 FINAL BUDGET

Mr. Oros presented the final budget to the board. Mrs. Dottore inquired about personnel increases and contract services. Mr. Oros explained this is for seasonal staff, raises and wage adjustments. Gloria Freno, Finance Manager added that additional seasonal staff for the ropes course and kayaks are also included. Don Lombardy, IT Manager said there is a cost increase for services provided through the county that were not previously being charged. Mrs. Dottore requested specifics for the increase in contract services be emailed to her.

NEW BUSINESS

PLANNING & OPERATIONS UPDATE

Mr. Oros presented current project updates to the board. He explained Cold Harbor is moving along on the construction of Holbrook Hollows and the Ellerin trails and boardwalks are being worked on internally. Mr. Oros said the Sunnybrook overlook project has been completed. Mrs. Dottore asked if there are still things to be done at Holbrook Hollows, and Mr. McCue replied there are internal items to be completed. Mr. Lah stated the shelter and overlook at Orchard Hills are nice, however he said the trails in the back leave a lot to be desired. He said other park trail systems are better and each of the trails should be given a reasonable amount of attention. He mentioned with adding Russell Park district properties and taking on Wicked Woods, it will be much more difficult to maintain all of these properties. Mr. Lah inquired about what the park will be doing on the Russell properties. Mr. McCue replied the park district will go through and assess what may need done at each location.
