PRESENTATION OF FINANCIAL STATEMENT

Mr. Oros presented the August financial statement. Mr. Preston asked what is included in the land improvement fund and Mr. Oros responded the fund includes capital projects including Swine Creek Lodge and Veteran's Legacy Woods. Mr. Preston asked what project expenditures for \$676,000 is for. Mr. Frederick replied these are project costs for Veteran's Legacy Woods and he said he would provide the specific costs. Mr. Preston requested the specific costs for project expenditures. Mr. Preston asked if the trust donations could be spent right away or put in a different account since we received over \$1.5 million in grants used for the Gallo purchase and stream restoration. He said park finances are outstanding, and the auditor and

prosecutor want the park to have less money and take money away from the park district. He said the park needs to know what percent of carryover is acceptable or allowed. Mr. Oros explained the park has moved to the UAN system. Mr. Frederick said the difference from the ending balance of the previous month to the current months financial statement are due to switching to cash basis accounting from accrual accounting. Mr. Bates asked for further explanation for having more money in the account. Mr. Frederick explained that the difference is items that have not been actually spent are not deducted from the balance whereas with accrual accounting items that have not actually been spent are deducted as a planned expenditure.

PRESENTATION OF VOUCHERS

Mr. Oros presented vouchers from August. Mr. Bates requested the list of vouchers include detail and be listed by fund as they previously were. Mr. Preston asked about several specific expenditures such as charges for Geauga Credit Union. Mr. Oros explained charges listed as Geauga Credit Union are for various purchases made for supplies and items. Mr. Preston asked about the check made out to Geauga Park District, and Mr. Frederick replied that the check was to pay for credit card fees. Mr. Oros added that the park recently changed to Square to pay lower credit card fees. Mrs. Partington said from a public perspective it would be easier to have detail for the vouchers so it is apparent what the expenditure was for.

Mr. Ibold made a motion to approve August vouchers except Preston and ARMS Trucking. Mr. Innocenzi seconded the motion and after roll-call voice vote, the motion was approved.

NEW BUSINESS

PLANNING AND OPERATIONS UPDATE

Mr. Oros shared current planning projects are progressing. Mr. Bates asked what the expected Veteran's Legacy open date is and Mr. McCue responded the projected open date will likely be after 1/1/22. He added all the projects are moving along. Mr. Preston asked about the difference in budgeted amount and actual. Mr. McCue said the projects are under budget 14.4% and explained a change order for aggregate and permitting added additional cost to the Veteran's Legacy Woods project. Mr. Preston mentioned he would like to see a longer range of specific improvements to communicate with the auditor and prosecutor. Mr. McCue explained the 5 year master plan identifies improvements, and Mr. Oros added they were shared in the July board packet. Mr. Oros introduced Dan McConnaughy to present 2022 park projects. He presented 2022 capital improvement projects at Bessie Benner Metzenbaum and The West Woods. The plans for Bessie Benner Metzenbaum include improvements such as a nature based playground with better connections to the shelter from the playground area, a patio area with fire pit, a sensory garden, and ADA trail improvements. Mr. McConnaughy said the West Woods will have a roof replacement for the Nature Center, trail improvements on the upper Ansel Cave trail, lighting improvements to the parking lot, paths and shelters, and several boardwalk replacements. Mr. Preston asked how much is planned for these projects and Mr. McCue answered the budget will be about \$80,000 for Bessie Benner and the breakdown for the West Woods for the trail and site lighting is around \$155,000 and the roof is anticipated to be higher than the initial \$150,000 budgeted.
